Matthew 25: Ministries provides humanitarian aid to the poorest of the poor and disaster victims by collecting product donations from corporations, organizations, and individuals. With the help of our volunteers, Matthew 25: evaluates, sorts, and processes these donated items before shipping them to people in need. These steps ensure that the products meet social, legal, and cultural requirements of the area. If attending, please find the attached YDisciple Member One Time Event Matthew 25: Ministries Permission Form and or YDisciple Bring a Friend One Time Matthew 25: Ministries Permission Form. Both are downloadable at [stcolumbkillie.org/y-disciple](http://stcolumbkillie.org/y-disciple).
